

Cachuma Project Water Rights Hearing

November 2003

Limitations of the Pacific Institute Testimony and Report

Presenter:

Misty Gonzales

Water Conservation Coordinator

Goleta Water District

Limitations of the Pacific Institute Testimony and Report

Misty Gonzales
Water Conservation Coordinator

Goleta Water District

Lack of Analysis

- Positive Impact of water rates on conservation
- Impact of large lot sizes on per capita consumption in the Montecito Water District
- Outdated data and unorthodox assumptions for clotheswasher analysis

Flawed Analysis

- Overstated Water Consumption Figures
- Flawed Cost-Benefit Analysis
- Miscited Sources

End
